

ኅላምአቀፍ የኢትዮጵያውያን የትብብር መድረክ

International Ethiopians Solidarity Forum

Aims of the international Ethiopians solidarity Forum

- 1 To preserve and protect the unity of Ethiopia from External and Internal anti Ethiopia Forces
- 2 To legally prohibit, defeat and change the course of divisive backward political culture based on ethnics and religious affiliation
- 3 To co-ordinate the isolated movements of civic and political organizations stand for unity, justice democracy and equality
- 4 To enhance and promote peace and prosperity in Ethiopia by rejecting the existing ethnics and language based regional federalism and replace it by a democratic federal provincial administration system that allows the direct participation and control of the public.
- 5 for a formation of a transitional government by all sectors of the society (political and civic organizations, religious representatives, youth and women associations, professional organizations) that takes all administrative role for maximum two years, during which it prepares a new constitution with the participation and acceptance of the majority under which the rights of citizens are granted and a guide line for a free national election is outlined.

Long Live Ethiopia!

Unity is Strength!!
