“particular individuals, including officials at the highest levels of State, the ruling party – the People’s Front for Democracy and Justice – and commanding officers bear responsibility for crimes against humanity and other gross human rights violations.”  UN Commission of Inquiry on Human Rights in Eritrea

I Reject the COIE and SR Report

- I the undersigned, categorically and unequivocally reject the politically motivated report of the Report of the Commission of Inquiry on Human Rights in Eritrea (COIE) and the Special Rapporteur (SR) on the Human Rights Situation in Eritrea. The resolution and the appointment of the SR and establishment of the COIE are in fact a continuation of an orchestrated 16-year long political campaign that seeks to demonize and delegitimize Eritrea in
the international arena, and erode the final and binding Eritrea Ethiopia Boundary Commissions delimitation and demarcation decisions.

“There is no genuine prospect of the Eritrean judicial system holding perpetrators to account in a fair and transparent manner. The perpetrators of these crimes must face justice and the victims’ voices must be heard. The international community should now take steps, including using the International Criminal Court, national courts and other available mechanisms to ensure there is accountability for the atrocities being committed in Eritrea,” – See more at: http://www.ohchr.org/EN/NewsEvents/Pages/DisplayNews.aspx?NewsID=20067&LangID=E#sthash.xO8q0CsB.dpuf
